

Манижа «Русская женщина» (Russian Woman)

Поле, поле, поле, я ж мала

Поле, поле, поле, так мала

Как пройти по полю из огня?

Как пройти по полю, если ты одна?

(А-а-а), Ждать мне чьей-то ручечки, ручки?

(А-а-а), А кто подаст мне ручку, девочки?

Испокон веков с ночи до утра

С ночи-ночи ждём мы корабля, ждём мы корабля

Очень-очень с ночи до утра, ждём мы корабля, ждём мы корабля

А чё ждать? Встала и пошла

(Хай-ха), Ха-ха, ха-ха, (Хай-ха)

Эй, эй

Every Russian woman needs to know (Ха, ха)

You're strong enough, you're gonna break the wall (Эй, эй)

Every Russian woman needs to know (Ха, ха)

You're strong enough, you're gonna break the wall (Эй, эй)

Что там хорохорится? Ой, красавица

Ждёшь своего юнца? Ой, красавица

Тебе уж за 30, алло, где же дети?

Ты в целом красива, но вот похудеть бы

Надень подлиннее, надень покороче

Росла без отца, делай то, что (Не хочешь)

Ты точно не хочешь? (Не хочешь, а надо)

Послушайте, правда, мы с вами не — стадо

Вороны, пыщ-пыщ, прошу отвалите-е-е

Manisha «Russian Woman»

The field, the field, the field, I am too small

The field, the field, the field, so small

How does one pass across the field from the fire?

How does a girl pass across the field if she is alone?

(A-a-ah) Do I wait for someone to give me a hand, a hand?

(A-a-ah) Who will give me a hand, girls?

Since the beginning of time from dusk till dawn

From dusk-dusk we are waiting for a ship, waiting for a ship

From dusk till dawn we can hardly wait for the ship, we are waiting for the ship

And why wait? I am sick of waiting, I am leaving

(Hay-ha) Ha ha, ha ha, (Hay-ha)

Hey, hey

Every Russian woman needs to know (Ha, ha)

You're strong enough, you're gonna break the wall (Hey, hey)

Every Russian woman needs to know (Ha, ha)

You're strong enough, you're gonna break the wall (Hey, hey)

What's going on over there? You beautiful girl

Are you waiting for your knight in shining armor? You poor thing

You are over 30 already, hello, where are your kids?

All in all, you are beautiful, but it would be nice to lose weight

Dress up in something longer, dress up in something shorter

You grew up without a father, do what (you don't want)

And are you sure you don't want to? (You don't, but you should)

Listen up, it's the truth, you and I are not a herd

Ravens, scoot, please go away

Теперь зарубите себе на носу

Я вас не виню, а себя я чертовски люблю

Борются, борются

Все по кругу борются, да не молятся

Сын без отца, дочь без отца

Но сломанной family не сломать меня, ау

(Хай-ха), Ха-ха-ха, (хай-ха)

О-о-о

You're gonna, you're gonna break the wall (P-p-p)

Every Russian woman needs to know (Ха, ха)

You're strong enough, you're gonna break the wall (Эй, эй)

Every Russian woman needs to know (Ха, ха)

You're strong enough, you're gonna break the wall (Эй, эй)

Эй, Russian woman (Ха, ха)

Don't be afraid, girl, (Ха, ха)

You're strong enough (Ха, ха), you're strong enough (О-о-о)

Don't be afraid (Don't be afraid) 4x

Борются, борются

Все по кругу борются, да не молятся

Сын без отца, дочь без отца

Но сломанной family не сломать меня, ау

Хай-ха, хай-ха

Эй, эй

О-о-о

Now remember this well

I am not blaming you, and I love myself more than anything

Fighting, fighting

Everyone all around is fighting, no one is praying

A son without a father, a daughter without a father

But you ain't gonna break me with a broken family, got it?

(Hay-ha) Ha ha ha (hay-ha)

O-o-oh

You're gonna, you're gonna break the wall (R-r-r)

Every Russian woman needs to know (Ha, ha)

You're strong enough, you're gonna break the wall (Hey, hey)

Every Russian woman needs to know (Ha, ha)

You're strong enough, you're gonna break the wall (Hey, hey)

Hey, Russian woman (Ha, ha)

Don't be afraid, girl (Ha, ha)

You're strong enough (Ha, ha), you're strong enough (O-o-oh)

Don't be afraid (Don't be afraid) 4x

Fighting, fighting

Everyone all around is fighting, no one is praying

A son without a father, a daughter without a father

But you ain't gonna break me with a broken family, got it?

Hay-ha, hay-ha

Hey, hey

O-o-oh
